Special features

AC 50/60 Hz resistive load- 4A at 250V RMS and 6A at 127V RMS, DC resistive load - .7A DC at 110 Vdc and 2A DC at 30 Vdc

Application

TI trip indicator

Fuse indicator

Non-indicating

Voltage rating

Contact to contact (RMS)- 1000 V and 1500 V, 110 Vdc
